VI. Reports and Information Only

A. Council Liaison Report (Alex Dersh)

Alex Dersh presented about the Blue Zones Assessment, Readiness, and Feasibility Report

- Blue Zones are some concentrated communities where researchers identified as areas in which people have proven to live long and healthy lives
- Blue Zones assessments evaluated well-being and health in three zip codes in San Jose – which are relatively disadvantage and lower life expectancy in the City and County. The report’s evaluation provided recommendations in three sections:

- **Policy:** Recommended changes to regulations and programs that can be implemented by governments in partnership with community-based organization. Topics include Built Environment, Food Systems, Tobacco and Vaping, and Alcohol Policy
- **Places:** recommended changes to systems and behaviors in specific locations
- **People:** recommended outreach and partnerships to implement policy and place recommendations
- **Next Steps:**
 - City Council will meet in early 2025 to choose between three options for partnering with Blue Zones:
 - Continue participating in project's Steering Committee
 - Help fund the project
 - Implement policy recommendations made by Blue Zones
 - Staff will return with a report next fiscal year focusing on:
 - City and County service delivery in the context of the CYSMPL
 - Infrastructure conditions
 - Status of ongoing city & County coordination
